REPORT OF SELECTMEN

To the Citizens and Taxpayers of Haverhill:

We submit our report for the year ending January 31, 1935. On the following pages will be found the detailed statements.

Due to new instructions of the State Tax Commission, we were obliged to remove the figure representing the amount due on deeded property, from the assets of the financial statement, and show this item in the

schedule of town property. In changing this item from amount due, figured on the amount of tax assessed on this property, to the actual valuation as shown in the town property schedule, made an increase of debt to the amount of the figure removed. If it had not been necessary to make this change in the arrangement of the financial statement there would have been no increase of the net debt. In brief, it brings about an increase in debt of \$7,557.00, but also an increase of property valuation of \$63,000.00.

There is always a question regarding the large amount paid the Collector in the item of Town Officers' expense and Miscellaneous. We wish to explain that \$697.86 of this amount is returned to the Town in the collection of costs on previous years' taxes redeemed.

Respectfully submitted,
JONAS N. BROWN,
ARTHUR E. DAVIS,
WESLEY G. WHITE,
Selectmen of Haverhill.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Woodsville School District:

I herewith present my fifth annual report as superintendent of schools.

The records for the year 1933-1934 are as follows:

Enrollment for the elementary grades was 276; for the high school, 168. The non-resident pupils numbered 25 in the grades and 74 in the high school. The per cent of attendance was 96.19; cases of tardiness, 418; school visits made by members of the board, 14; by the superintendent, 358; by citizens, 922. Thirty-two pupils in the elementary grades and junior high

school were on the roll of honor for perfect attendance: Charles Bagley, Ruth Bailey, Audrey Dearborn, Allyn Janes, Catherine Moran, Irene Stimson, Dorothy Weden, Maurice Boucher, Dorothy Day, Beatrice Demeritt, Robert Bailey, Weston Bailey, Lawrence Dunn, Frank Millette, Francis Rock, Eleanor Stanton, Priscilla Turner, John Larty, Lena Emerson, Margaret Gallagher, Ronald Kelley, Annette Lamontagne, Kathleen Millette, Beryl Stimson, Eula Darling, Rita Gallagher, Edmond Grenier, Louise Larrow, Malcolm Millette, Theresa Sevigny, Shirley Taylor, Gertrude Suitor.

In June 36 pupils were promoted from the eighth grade to the high school: Richard Batchelder, Lealand Boemig, Pauline Bresse, Marjorie Brill, Charles Bagley, Elsie Bailey, Ruth Bailey, George Burgess, Addie Carpenter, Melvin Cutting, Paul Cutting, Audrey Dearborn, Charles Hardy, Carroll Hastings, Lucille Homans, Allyn Janes, Ethel Lord, Elizabeth McGaw, Harry Millette, Veronica Monfette, Alice Moran, Catherine Moran, Oliver Perrin, George Phetteplace, Audrey Prescott, Scott Rowden, Dorothy Sheldon, Ruth Spinney, Irene Stimson, Mary Sweeney, Margaret Turner, Dorothy Weden, Donald Wheeler, Charles Wood, Douglas Wood, Veda Adams. These have all entered high school.

This present year of 1934-1935 the enrollment so far has been 265 in the grades and 167 in the high school, a difference of three and one respectively as compared with the corresponding figures last year. The teachers are Senior High School: Headmaster, G. Hampton McGaw, languages, history; Submaster, William L. Bryant, science, mathematics; Lillias R. Warren, English, Latin, history; Marion E. Fenerty, domestic arts; Marion F. Eastman, commerce; Bertha Davis, English, history; Howard F. Mason, mathematics, science; Marion F. Diamond, commerce, English. Junior High School: Principal, Nettie McCoy.

grade eight with music and mathematics in grade seven; Winifred Sargent, grade seven with science and French in grade eight. Elementary Grades; Helen A. Franklin, grade six; Marion F. Smith, grade five; Margaret Powers, grade four; Marion E. Garland, grade three; Mildred E. Emery, grade two; Florence Lang, grade one; Lottie M. B. Underhill, school nurse; Earl Whittier and William Fillian, janitors.

The regular work in the schools is progressing well and the various extra-curricula activities are enjoyed by many of the pupils. In the grades operettas, dramatics, and programs for special occasions furnish the opportunities for the development of skills and interests other than those called for by the common subjects. The headmaster's report, which follows this, describes what is done in the high school along these lines. It is a pleasure to call attention to a letter recently received from the office of the Journal of the National Education Association in which the Cycle was highly praised.

During the past year the physical welfare of the children has been looked after in a number of ways; milk and crackers have been furnished to quite a large group; 117 have had dental work and 7 have had tonsil work done at the dental and tonsil clinics; 23 have had vision corrected. These various aids were made possible through the Red Cross, federal funds, and contributions by the local women's clubs, citizens, doctors, and dentists.

I would like to bring to your attention two needs in the graded building: steel ceilings in the second and fourth grade rooms, and a new heating plant. The plaster ceilings in the rooms mentioned are, in their loosened condition, a menace to the children. A modern vapor heating system would be much more efficient and economical. Our old boilers require a great deal of fuel and are so old new parts can no longer be obtained un-

less specially cast at the foundry, a slow and expensive process.

Respectfully submitted,
EDWARD A. JANES.

REPORT OF THE HEADMASTER

To the Superintendent of Schools:

I offer herewith my seventeenth annual report of the Woodsville High School, for the year ending January 25, 1935.

There have been registered one hundred sixty-seven pupils, one less than last year. Of these, thirty-four are seniors, forty-four juniors, thirty-two second year, and fifty-seven first year. There have been sixty-three tuition pupils from nine districts.

McIntire, Howard M. Platts, Pauline A. Prescott, Ruth G. Rouhan, Charles P. Sargent, Helen B. Stowell, Henry L. Tillotson, Marjorie A. Tilton, Margaret E. Venturini, Hope E. Wheeler, Ruth M. White, Maida E. Wilson. There are now six hundred twenty-nine graduates of the school since 1896.

First place according to scholarship marks was taken by Hope Wheeler, and second place by Ruth Rouhan. The Alumni attainment award was given to Marjorie Tilton, presentation being made by Edward Mil-

ler '22. The Perley N. Klark music award was given to Kathryn Batten. The class presented to the school an occasional chair .

Mrs. Elisabeth R. Elkins, of Concord, member of the State Board of Education, gave the commencement address on "Schools Meet the New Era"; and Rev. Franklin Collins, of Ryegate, preached the Baccalaureate sermon on "A Challenge to Youth."

Many activities outside the class room periods enliven the school day, and bring before the young people a larger realization of the modern world. The major interests of athletics in baseball, basket ball, football, field hockey, and winter carnivals have attracted many pupils, and require no small expense; season tickets, food sales, entertainment programs have contributed to these funds. A track meet in May brought some hundred visitors from neighboring schools. The Cycle was awarded second place in its class in a competitive judging of school magazines by the Columbia University Press association. The Quill and Scroll society composed and presented a pageant of early years at W. H. S. A group of seniors staged an original one-act play — "His Good Record." Thirty-four juniors appeared in public speaking. Band and orchestra have furnished music at school functions and on numerous public civic occasions.

Junior promenade, health examination, patriotic essay writing, state inspection, scholarship day at Plymouth, national holiday celebrations, and alumni meeting are all noted in the scrap book records.

Senior delegates visited the eighth grade to explain to prospective entrants the customs and values of high school; seniors visited sessions of the county court and the town meeting; dinner was served to the Rotary club; a stamp club was organized for those philatelically inclined; the teachers gave a lyceum program simulating a radio broadcast. Rev. Dr. G. W.

Wieting, minister at No. Haverhill, has conducted numerous chorus singing periods, and in exchange the commercial department has done some typing and mimeographing for him. More than a dozen speakers have appeared at assembly and have presented able addresses on worthy living, international relations, Negro songs, the appeal of poetry, adult education in the state, thinking it through, humane treatment of animals, making ready use of school studies, the life of the bee, current happenings, colonial life, the century of progress exposition, and the great drought of last summer.

Several films have been shown including methods in commercial studies, making of watches, growth of corn, orange culture, the north woods, and railroad transportation.

The school maintains its efforts to build up in pupils a personality that will be honorable in contact with people, a vocational attitude that will enable them to manage well the circumstances they encounter day by day, and character that will be in accord with the virtues of a man.

Respectfully submitted,

G. H. McGAW, Headmaster.

REPORT OF THE SCHOOL BOARD OF HAVERHILL

We, the undersigned, members of the Haverhill School Board, beg to submit the following report:

Mrs. Mary E. Farnham, who was elected member of the Board at the Annual District meeting for the term of three years, resigned on May 7 and the Board appointed Mr. William J. Clough of Horsemeadow to serve until the next Annual District meeting. Henry O. True, who had served as School District Treasurer for many years, died on Jan. 29, 1935 and the Board appointed Mr. Daniel Carr of North Haverhill as his successor.

Among the principal items for repairs and improvements during the year were the following: At Haverhill Academy we had to have the top of the chimney rebuilt, the chimney cleaned, also the brick cleaned on both sides of main entrance. The wall in front of the building had to be repaired, as well as the door-steps and the side-walk cemented. At the Alumni Hall the moving picture machine and booth were removed, necessitating replacing of sheathing on ceiling and wall.

At Pike school the building was painted on the outside and the waterpipe had to be re-laid.

At Number 6 we were obliged to have new doors, also a new saddle-board on the roof.

Eleven new desks were installed in the grammar room of Pike school, and it is the Board's desire to re-

place the rest of the old desks in that room for the next School year.

New window shades were put in at Haverhill Academy and at the Center Haverhill school.

We wish to call the attention of the taxpayers and voters of the district to the budget for the year from July 1, 1935 to June 30, 1936, which has been prepared with the greatest care and with a view of strict economy.

Respectfully submitted,
 EMILE BLANK,
 WILLIAM H. SLIGHT,
 WILLIAM J. CLOUGH.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Haverhill:

I herewith present my fifth annual report as superintendent of schools.

The statistics for the year 1933-1934 are as follows: enrollment in the elementary grades, 293; in the high school, 117; total 410. The district received tuition for 2 elementary and 19 high school pupils. In addition to those in the local schools, there were 22 elementary and 7 high school pupils for whom tuition was paid in schools outside. The per cent of attendance was 94.05; number of tardiness, 540; school visits made by members of the board, 9; by the superintendent, 387; by citizens, 422.

On the honor roll for perfect attendance were the following: Richard Sawyer, Everett Sawyer, Frances Church, Linwood Hammond, Edith Celley, Geraldine Millette, Dale Dexter, Virginia Howe, Rowland Ford, Irene Hardy, Roland Bourassa, Muriel Barber, Freda Eastman, Phyllis Morrill, Bernard Lavoie, Raymond

Farrow, Elizabeth Hardy, Edith McKean, Hazel McKean, Leo Fortier, Ruth Thompson.

Thirty-seven pupils were promoted in June from the eighth grade to the high school: Natalie Aldrich, Caroline Batchelder, Loree Cassady, Alice Clough, Gale Delaney, Paul Elms, Floyd Foote, Ralph Rogers, Carolyn Sawyer, Clara Waterhouse, George Waterhouse, Leon Wright, Tracy Breed, Raymond Clough, Charlotte Crawford, Evelyn Cross, Dorothy Dyke, Reta Morrill, Ruth Pierce, Mary Sawyer, Rena Thompson, Eloise Arnold, William Fortier Jr., Oliver Howe, Leland Lavoie, Pauline Prue, June True, Eunice Cox, Madeline Blake, Lillian Harris, William Harris, Ruth Young, Neal Kimball, Frances Nelson, Ona Robinson, Edith Bigelow, Emma Spooner.

The John Dexter Locke Prize in Latin was awarded to Irma Campbell and the John Dexter Locke Eighth Grade Improvement Prize to Mary Alice Sawyer.

During the current year, 1934-1935, there have been enrolled 269 in the elementary grades and 123 in the high school, a total of 392. The non-resident tuition pupils in the high school number 19. The town pays tuition for 15 elementary and 9 high school pupils who attend schools outside of the district.

The teachers and the number of pupils in their respective schools are as follows: Haverhill Academy, 123, Friend H. Jenkins, Headmaster, Ruth I. Jenkins, Elizabeth Laturneau, Mildred Knox, Frank Woodward; Haverhill Grammar, 16, Minnie E. Morris; Haverhill Intermediate, 29, Dorothy Swift; Haverhill Primary, 36, Kathleen Keith; Pike Grammar, 27, Louise M. Wilson; Pike Primary, 23, Mabel Traganza; East Haverhill, 15, Lucia Morrill; No. Six, 13, Emily M. Gregory; No. Ten, 14, Edna Mann; Brier Hill, 7, Dorothy Brunelle; Center Haverhill, 15, Freda Canning; North Haverhill Grammar, 19, Sadie R. Carr; North Haverhill

Intermediate, 32, Doris D. Hobbs; North Haverhill Primary, 23, Maxine L. Anderson; school nurse, Lottie M. B. Underhill.

Due to the receipt of federal and state funds during the past year a good deal of work has been done for the physical welfare of the children. Milk has been furnished where most needed and a hot dish for the noon lunches at No. Six and No. Ten. 97 were treated at the dental clinics, 6 at the tonsil clinics, and 3 were fitted with glasses.

The work in the class rooms is progressing well. The ranks obtained in the standard tests by those in the eighth grade last June compared very favorably with those from other parts of the country. In the Academy the senior class did better than the standard and state averages in the three tests sent out by the State Board of Education. The many worth-while extra-curricula activities of the high school are described in the headmaster's report which follows this one.

Though the enrollment at the Academy is the largest on record, the added numbers have been well cared for. Judging by the sizes of the present seventh and eighth grades, it does not seem as though the building would be crowded beyond its capacity in the near future.

Most of the needs of the various school houses, some shingling, painting and small repairs, will probably be covered by the regular minor repairs appropriation. A small additional sum would make possible the purchase of some new desks for Pike and the improvement of the table facilities in the high school laboratory.

I wish to take this opportunity to express the thanks of the district to Mrs. Mildred Paulsen for her gift of a radio to Haverhill Academy.

Respectfully submitted,
EDWARD A. JANES, Superintendent.

REPORT OF HEADMASTER

To the Superintendent of Schools:

I submit herein my eleventh annual report of Haverhill Academy and High School for the year ending January 31, 1935.

The total enrollment for the year to date is 123. This is the largest number ever to have attended Haverhill Academy in any one year and exceeds last year's enrollment by 6. This year's enrollment exceeds that of four years ago by 48. There has been but one withdrawal to date. The enrollment at present is therefore 122. Of this number 19 are tuition pupils.

The enrollment by classes is as follows:

	Boys	Girls	Total
Seniors	9	8	17
Juniors	14	12	26
Sophomores	16	20	36
Freshmen	15	29	44
	54	69	123

The following pupils graduated in June: Muriel Barber, Irma Campbell, Lawrence Clough, Meryl Dearborn, Freda Eastman, John Getchell, Eleanor Irish, Luther Keyes, Pauline Keyes, Phyllis Morrill, Walter Morris, Katherine Reed, Muriel Spooner, Robert Spooner, Bertha Steeves, Edward Thompson.

First and second honors were won by Phyllis Morrill and Irma Campbell respectively. Irma Campbell also won the John Dexter Locke Latin Prize. The Scholarship, Loyalty and Achievement Medal was won by Pauline Keyes.

The extra-curricula activities, consisting of basket ball, baseball, glee clubs, orchestra, and winter

sports are numerous and varied enough to give all an opportunity to participate in some activity outside of regular class room work. It is to be regretted that a considerable number do not enter any of them. Modern technological industry has been forcing and continues to force upon us an ever increasing amount of leisure time, and the boys and girls in the schools today who do not take advantage of the opportunities to acquire a liking for these and other leisure time activities are bound to lead less happy lives now and in their adult years.

The athletic teams continue to win a large percentage of their games. The team competing in the interscholastic scholarship meet at Plymouth, although not placing among the first three was well above the average.

The results of the three state tests given to seniors throughout the state showed our seniors to be above both the state and standard medians in all three tests.

The combined boys' and girls' glee clubs presented the operetta "The Love Pirates of Hawaii." This was the first operetta to be presented since the forming of the glee clubs. The two clubs are at present preparing for another to be given this spring.

The different classes and the Student Council have sponsored school parties as in the past. At the Christmas party the combined glee clubs sang several Christmas carols and six members of the school presented a one-act play entitled, "From Our House to Your House."

Considerable interest is being shown in winter sports this year. A team was sent to the Silver Fox Outing Carnival and plans are being made to enter a team in the various other meets. However to compete

successfully and even safely in these sports requires the proper equipment. There is a need for the money and time to build ski trails and a properly constructed ski-jump. No one doubts the value to the individual of these fine, healthful, wholesome sports, and many of our neighboring towns are realizing their commercial value. Our skating rink has proven its worth to the school and community. A ski trail and ski jump would contribute further.

There is also an urgent need for dressing rooms, toilet facilities, and different seating arrangements in Alumni Hall. As it now is, both our own teams and visiting teams are required to dress for games in the school building and travel through snow in basket ball uniform. The same toilet is used for both boys and girls as well as the spectators. The seating arrangement could be easily and inexpensively bettered by installing the new type folding bleachers in the south end of the hall. These could be pushed back against the wall when not in use. It would seem that the logical time to make these much needed improvements is now while labor and materials are relatively low priced and federal funds are available for the purpose if it is necessary to make use of them.

One may quite correctly argue that these conditions have existed for a long time; nevertheless, as the enrollment increases, and the school takes on new and increasing responsibilities the problem becomes more acute.

The program of studies is the same as last year. The program as it now stands presents considerable difficulty in administering due to the large classes resulting from the increased enrollment and the limited size of the class rooms.

We gratefully acknowledge the gift of books by

Mr. William Koch and the radio by Mrs. Paulsen, also the \$75.00 appropriation for music by the school board.

I wish, herein, to express my appreciation of the splendid cooperation on the part of the school board and superintendent, the teachers, the pupils, the parents and the community as a whole.

Respectfully submitted,

FRIEND H. JENKINS, Headmaster..
